

A

B

We must be We must be We must be connected We must be We must be We must be connected

Everywhere I go I find peace around me Everywhere I go I find love
Everywhere I go I find the fire of God Everywhere I go I find joy

Everywhere I go I find the freedom fighters Everywhere I go I find peace
Come on step aside and let the fire ignite you Come on open up and start the flow

C

We must be We must be We must be connected We must be We must be We must be connected

People moving up to a high vibration People letting go of the old

Come on step aside and let the new way show up People moving on, they gotta grow

D

Holy Spirit got me all fired up In the name of love
