I'm in the cocoon now gonna fly away real soon

E B E B

but at this moment I am being graced by the moon.
Gonna leave town one day and find my way on another plane

My mind is free cause I know there is only one thing that provides my good)
But right now I appreciate this time, this life.

That is the source, my joy lies within
I give what I have I share who I am it makes me happy

Standing on the edge feels like I'm going to burst right out of my skin

A B A B

Feels like a near birth experience I'm standing on the edge

A Ab A Ab

Scratched and clawed my way through the dark scratched and clawed

A Ab A Ab

Scratched and clawed my way through the dark lookin' for the joy
